

ADVANTAGE - 2000 +

Installation Instructions :

#2540-BE : Book Ends - 1 pair

INSTALLATION : Align the two retainer studs located on the underside of the Book End (#2540-BE) to the hole at the end of each slot in the Accessory Shelves. Pass the nylon retainer through the slots and slide the Book End along the slot to position where desired.

REMOVAL : Slide the Book End along the slot and position over the hole in the slot and lift out to remove.
